

Hello dear Dauphin First Baptist Church and friends,

I hope you are more than surviving these latest lock-down measures. The church building remains closed but don't let that fool you about how active God is in and through His people. Find one to talk to. They are as close as a phone call, email or mailbox away. You can encourage and/or be encouraged because God's Spirit loves to work that way. Be brave. Be attentive. Be thankful.  **Loralyn**
