Business arising from the minutes:

- 1) Loralyn talked about our “Mission Statement” – to Follow Him. She referenced the church documents, we are in the process of updating them, specifically The Covenant.
- Went over Clerk and Treasurers report. Carla Strang made motion to accept reports as presented. Seconded by Lenora LeMarquand. Carried

CBWC Update

- Loralyn spoke on the church budget and how we have taken on extra expenses during the beginning of the year. Years ago, we gave money to The Foundation to invest. The CBWC board recently found out the laws changed, and the money had to be returned. This money came back right when we needed it most. God is Good!!
- Assembly update. Who Makes Decisions about local church membership? Who gets to be members of CBWC (in regard to LGBTQ, abortion, females in leadership)? We need to keep praying. CBWC board is working on a framework.

- Online Assembly will be May 21, 2020. Will be a business meeting, and the highlight will be pie.
- We discussed KURIOS; the gap year program, with a missions trip to Costa Rica. Many stating this would be a great experience.
